

Sindh is bleeding: Three Sindhi Nationalist Burn Alive

Wednesday 27 April 2011, by [LPP](#), [MANSOOR Nasir](#) (Date first published: 27 April 2011).

Yesterday 21 April at afternoon three central leaders of Jey Sindh Mutheeda Mahaz (JSMM) were fired upon and killed and burnt their bodies in the vehicle at Jamrao Canal on Chutyaroon road near Sanghar.

They were coming from Khipro where there vehicle was ambushed by a Prado jeep. So-called unknown armed person open the fire with most sophisticated weapons and than their vehicle put on fire so all three burnt alive at the spot while one Noorullah Tuneo (Joint Secretary JSMM) is survived but severely injured with 80% burnt, very slim chance of his survival, he has been shifted to Hyderabad.

The leader who were killed and burnt were JSMM (vice Chairperson) Serai Qurban Khawar, Roplo Choliyani (Information Secretary) and their close friend.

One of our comrades visited Sanghar hospital yesterday where dead bodies and the injured were shifted. They talked with Noorullah the injured one, he informed that the killers were from secrete agencies.

It is very gruesome cold blood murders and it show the clear sign that a new repressive phase has been introduced by the secrete agencies in Sindh after using the same one in Balochistan.

We should shout against it and don't be silent on the killing of political workers. All are appeal to do some thing in protest other wise Sindh will become another "CHHAONI" Containment.
