Europe solidaire sans frontières (ESSF)

[Europe of solidarity without borders]

Aims of the association: “*The aim of the association is to promote all initiatives likely to contribute to a Europe of solidarity and without borders, and to promote international solidarity between the peoples. In this perspective it intends, among other things, to help activists (from trades unions, political organisations and other grassroots groups and associations, as well as elected representatives) who share this goal; to develop activities providing information or training, to develop solidarity initiatives; to participate in social forums as well as in the campaigns of the global justice and anti-war movements, to collaborate with other organisations that have similar goals*” (Article 2 of the ESSF Statutes, translated from the French).

Date of founding of the association: 23 July 1999.
