

China : Free Wu Guijun, Defend the Worker's Right to Strike !

dimanche 29 septembre 2013, par [AMRC](#), [Globalization Monitor](#), [Petition / Sign-on Letter](#) (Date de rédaction antérieure : 27 septembre 2013).

To
Mr. Xu Qin, Mayor of Shenzhen City,
Mrs. Luoli, President of the municipal federation in Shenzhen

We are writing to ask the Mayor of Shenzhen City and the municipal federation in Shenzhen to step in and give assistance in cases of Wu Guijun from Diweixin Product Factory in which worker are criminalized for the industrial actions they took to claim their labour rights. Wu was arrested by unknown reason more than 130 days !

Illegal detention of WU Guijun for more than a hundred days

On 23 May Wu Guijun and nearly 200 workers from Diweixin Product Factory located in Shenzhen were arrested by the anti-riot police on the way to petition the Shiyan district government. They were asking the government to intervene in the one-month long severance negotiation with their employer which was closing down business for relocation from its Shenzhen plant to Huizhou city. Few days after the arrest, the factory management terminated the negotiation with the workers and sacked all the representatives including Wu Guijun. Since his detention on 23 May, Wu was denied free access to his lawyer and family. He is likely to be criminalized and charged by the public security for "assembling a crowd to disturb public order".

Free Wu Guijun !

We regret to find that in this case, Wu and other worker leaders were alone in their struggle without receiving support from the trade union. We are concerned that industrial actions taken by workers for claiming their legal rights were put under criminal detention and charged. Although strike is not protected in the domestic laws, freedom of assembly is protected in the PRC Constitution.

Our demands :

1. Defend the Worker's Right to Strike !
2. Protect the Worker leader in the Strike !
3. Urge to give pressure to the government for the release of Mr. Wu and provide all the needed assistance to Mr. Wu and his family.
