Speakers said that on the night of October 21, 5 miscreants intercepted Ritu at the Matin Gate area of Haji Bari in Kashimpur on their way home from work with Ujjwal, a colleague of Dream Knitwear Ltd. garment worker Ritu. Later 2 miscreants out of 5 confined Ujjwal and 3 others brought Ritu a little bit far and raped her by turn. The leaders strongly condemned the medieval demonic rape of Ritu and demanded the arrest and exemplary punishment of the rapists.

The leaders questioned the safety of the garment workers and expressed deep concern over the increasing number of such heinous and barbaric incidents in the garment industry. They called on the government to ratify ILO Conventions 189 and 190 in the field of garment industry.

It can be pointed out that a case was registered with Kashimpur police station in this regard with the

direct help of labor leader Saleha Islam Santana and garment owner. Police were able to arrest 5 accused at night and in the morning. However, on October 23, Kashimpur Police released the main accused Maulana Akhter and Emarat. The police kept the victim Ritu in the custody of the police station for 5 days instead of sending her to the hospital for a quick medical examination and ruined the evidence. Ritu alleged that the police kept her in the custody of the police station for the last 5 days and harassed her in various ways.
