

# Urgent Call: Donations for victims of Typhoon Ulysses/Vamco in the Philippines

Monday 16 November 2020, by [Partido Manggagawa](#) (Date first published: 13 November 2020).

**Vamco, the 21<sup>st</sup> cyclone to hit the Philippines this year, also caused the worst flooding in years in parts of the capital.**

Six cyclones hit the Philippines in a span of just four weeks, including Vamco and Super Typhoon Goni, the world's most powerful this year.

More than 180,000 people were evacuated as the typhoon battered the country, hitting many of the same communities that were devastated by Super Typhoon Goni just 10 days before.

The Philippines is hit by about 20 typhoons and tropical storms each year and also had active seismic faults and volcanoes, making it one of the world's most disaster-prone countries.

The Partido ng Manggagawa (PM), Labor Party-Philippines is calling for donations for affected workers in the Capital Region, living in devastated communities.
