

The Catalan Social Forum, a success!

Friday 1 February 2008, by [Collective / Multiple signers](#) (Date first published: 1 February 2008).

The Catalan Social Forum took place during from 17 to the 27 of January, with local activities decentralized by Catalonia and a forum during the weekend in Barcelona. The Catalan Social Forum was part of the Global Social Forums.

Full seminars with people seated in the ground! Classrooms with the open doors so that people can also listen from outside!, 5000 participants demonstrating!!!!

The first Catalan Social Forum has been a success. It was composed by a large diversity of acts, trajectories of mobilization and participants. The Assembly of social movements, after a process of preparatory meetings and a emotive encounter Saturday in the evening (attended by 400 participants), has approved this declaration (<http://www.forumsocialcatala.cat/spip.php?article70>) that includes a list of 30 new calls and campaigns.

A meeting for the 5 of April has been organized with the intention to give continuity to this assembly of social movements.

In the Web, information of last new features can be found on organizations adhesions (<http://www.forumsocialcatala.cat/spip.php?article68>), memory (<http://www.forumsocialcatala.cat/spip.php?article66>), the manifestation (<http://www.forumsocialcatala.cat/spip.php?article71>) and of other aspects of fscat.
