

Solidarity Message to LCR and NPA Congresses

Friday 13 February 2009, by [PSM \(Malaysia\)](#) (Date first published: 8 February 2009).

The founding Congress of the French New Anti-Capitalist Party (NAP or in French NPA: Nouveau Parti Anticapitalist) meet February 6-8, 2009. [1]. The day before, the LCR dissolved itself to give way to the NPA. We are publishing below the message sent by the PSM at the occasion of these congresses.

Greetings from Malaysia!

Socialist Parti of Malaysia (PSM) would like to express our solidarity with comrades in France who will be attending congress of LCR on 5 Feb 2009, and the congress of newly formed party - New Anti-capitalist Party (NPA) on 6-8 Feb 2009.

We would like to apologise for not able to participate in this historical and meaningful congress. Yet, we are very excited with the development of the left in France and your effort to consolidate forces of the anti-capitalist left.

Capitalism is in its deepest crisis globally since WWII. This is a crucial time for the left around the world to unite under common programmes to resist capitalism and build socialism from below. We believe that we can only able to do this by mobilizing the revolutionary masses.

We wish comrades in France to have a fruitful congress and keep moving forward with the revolutionary waves.

We are looking forward to more exchange of ideas and experiences with NPA and comrades in France. Your struggle is our inspiration.

In solidarity,

Choo Chon Kai
