Support from European Solidarity without Borders (ESSF) to Labour Education Foundation (LEF) for humanitarian aid and solidarity support in Pakistan

Monday 9 January 2017, by [Labour Education Foundation \(Pakistan\)](#) (Date first published: 31 December 2015).

Labour Education Foundation (LEF) is thankful to ESSF and all donors of ESSF for the long term solidarity support from 2005 to 2016 for humanitarian aid and for rights of working class in Pakistan.

LEF is a leading labour social organization striving for the uplifting of the working class in Pakistan. The donations sent by ESSF helped us to immediately provide support to some of the most needed areas natural calamities and in human rights field.

The Labour Education Foundation spent the funds on support of earthquake victims in immediate relief and also for rehabilitation. Support was also provided to victims of floods for immediate relief. Some of the funds were used for support in organizing events of solidarity for workers in struggle.

We hope that ESSF will continue working together with us in future for the protection of rights of working class and for humanitarian aid.

Best Regards,

Khalid Mahmood
Director
Labour Education Foundation

Note from ESSF: from 2005 to 2016, ESSF sent 44.680 € to Pakistan.
