Fighting the Pandemic at Amazon: An Open Letter to Jeff Bezos and Stefano Perego

Available in English, French, German and Polish

Thursday 30 April 2020, by [Amazon Workers International](#) (Date first published: 30 April 2020).

The open letter from the **Amazon Workers International network** to Amazon's world management is attached in English, French, German and Polish.

It is a means for the network to introduce itself and highlight its demands.

At the same time, the Amazon Workers International network has just opened its Facebook profile: https://www.facebook.com/AmazonWorkersInternational/?epa=SEARCH_BOX

The **Tech Workers Amazon Employees for Climate Justice** collective supports this approach.

Other articles about Amazon are available on the ESSF website.
