## **Covid-19 solidarity (Mindanao): food packs and hygiene kits reaching Lebak**

Friday 15 May 2020, by [Tripod Lebak](#) (Date first published: 15 May 2020).

Finally, the most awaited donation from Bukidnon has arrived.

Few days ago we also received from various partners donated surgical face masks and bottles of hand sanitizers.

We are truly touched by your generosity our beloved partners and supporters. Our team for Lebak humanitarian response is now preparing the rest of the logistics, medical and conduct passes and other requirements for the mission.

We aim at distributing food packs and hygiene kits to 125 families in Kalamongog and Poloy-poloy, Lebak, SK next week. We will also be conducting information drive with IEC on Covid pandemic and actual demo on proper handwashing.

Kilos Ka is also distributing food packs and hygiene kits and will join us in Lebak next week.

We'll keep you posted and bring you at the camp site and communities to where our beneficiaries are located.

This call for donations will close on Monday, 12 noon. By then we can official acknowledge by posting the list of donated items and donors!
