

# From France to Tunisia: Message for the funeral of our comrade Ahlem Belhadj

Sunday 19 March 2023, by [NPA / NPA l'Anticapitaliste](#) (Date first published: 12 March 2023).

**The New Anti-Capitalist Party sends its condolences to Myriam, Youssef and Jallal, to all the comrades of Ahlem, activists in the feminist and trade union movement.**

Ahlem is leaving at a time when the social movement is particularly targeted, when women's rights and the democratic rights she has always fought for are threatened. We measure the immense loss that this represents for you.

Ahlem is our comrade, our friend also who shared with us in February 2011, at our 1<sup>st</sup> Congress, the breath of the uprising in Tunisia. Ahlem who always responded to our requests to participate in meetings, most recently in a feminist workshop at the NPA summer university in August 2021. Ahlem who, on April 30, 2022, shared our pain during the tribute to our comrade Alain Krivine.

Thank you Ahlem, for your energy, your fighting spirit that seemed inexhaustible, thank you for your wonderful laughter, a formidable weapon to keep morale up and fight against illness and all the setbacks in our struggles.

In memory and in the name of all these shared moments, we say "The fight continues".
