

Joint statement: Drop charges against Pro-Palestine activists in Singapore

Wednesday 3 July 2024, by [Collective / Multiple signers](#) (Date first published: 1 July 2024).

We, the undersigned organisations, are deeply concerned over the prosecution of three activists in Singapore for organising Palestine solidarity action.

The three pro-Palestine solidarity activists, Annamalai Kokila Parvathi, Siti Amirah Mohamed Asrori, and Mossammad Sobikun Nahar, were charged in court on 27th June 2024, under the Public Order Act for organising an assembly or procession without a permit related to the Palestine solidarity actions on 2nd February 2024.

As part of the National Day of Solidarity with Palestine, about 70 people marched to the Presidential Palace on 2nd February 2024 to deliver letters calling for the Prime Minister of Singapore to stop the Singaporean government's complicity in the genocide committed by the Zionist regime of Israel.

Instead of listening to the people's demands to take concrete action to end genocide in Palestine, the Singaporean government has resorted to pressing criminal charges on those who are peacefully expressing solidarity with the Palestinian people.

We call upon the government of Singapore to:

- Withdraw all charges against activists who engage in peaceful solidarity actions for Palestine;
- Stop all investigations into and intimidation of peaceful solidarity actions for Palestine;
- Stop being complicit in the genocide in Palestine committed by the Zionist regime of Israel by cutting off all links with Israel.
