The Collected Writings of Daniel Bensaïd: Revolutionary Theorist and Activist

Daniel Bensaïd: A bibliography (English and other languages)

Explore the powerful legacy of a leading figure in the French radical left, from 1968 to the 21st century, in this comprehensive online library

Thursday 28 February 2008, by [ROUSSET Pierre](#) (Date first published: 22 September 2009).

Discover the rich legacy of Daniel Bensaïd, a leading French revolutionary and theorist, through this online library of his writings. Bensaïd was a central figure in the radical left from the 1960s onwards, engaged in struggles against imperialism, capitalism, and injustice worldwide.

This multilingual collection showcases Bensaïd's insightful and impassioned writings on topics including:

- **The events and lessons of May 1968 in France**
- **Revolutionary strategy and organizing in Europe and Latin America**
- **Marxist philosophy and the relevance of classical Marxist thinkers**
- **The fight against fascism and the far right**
- **Reflections on his Jewish identity and anti-Zionism**

Bensaïd's work is characterized by originality, erudition, and unwavering commitment to human emancipation. Exploring this library offers a window into one of the great activist-intellectuals of our time and the major struggles that defined his life. Immerse yourself in the "slow impatience" of a revolutionary life well-lived. [MJ]
